

1. The Walpole Recreation Department and the Agahigian Family are collaborating to offer a special afternoon: “Thomas the Train Afternoon,” for the entire community on, Sunday, January 31 from 2:30 – 4:30PM. The Agahigian Family collects model trains and will be filling Blackburn Hall with many train “stations” and displays. Along with watching all of the trains in motion, there will be many wonderful things for the children to take part in as some of the displays will allow them to be interactive and actually run the models. Other happenings that afternoon will include train crafts, cocoa, and snacks. The price of admission is \$5 per person. Anyone interested in attending the “Thomas the Train” afternoon is asked to pre-register at www.walpolerec.com.
